Program

Tip of the Month. Cut the selvage off your material before it goes in your quilt by mistake. Also cut it off the backing if the seam is in the middle of the back. This is because it does not stretch like the rest of your material and it will create a wave if it is not trimmed. This part of the material is woven tighter than the rest of the material. The last row in the Christmas Quilt is Presents. You will get the finishing instructions also for the quilt. Looking forward to seeing Christmas Quilts done early next year. Thank you and I hope you learned something new this year from the Program part of the Guild. Janet M

We are in the final month of quilting with the senior's at Riverside Court.

The following people have signed up for the final two dates as follows:

We meet in the dining room at 1:00 p.m. and are usually done by 2:00 p.m. in time for tea/coffee and cookies. If any members could find time to volunteer for even one session in 2019 that would be appreciated. Thank you again to all those ladies who have given their valuable time to date.

Instructors

Change of date . . . August 10th and 11th, 2019 at 9am is when we will be having Paul Leger at St Gertrudes.

If those of you who have not let me know that this is a good date for you, please let me know by email Facebook or face to face at our June meeting.

I will need your \$60 in June as a commitment for the class. If you can not be there or for some other reason I will set up a plan to get the money to me.

Since we have about 29 members we will split the class into 2 days. The cost of the class includes everything to make a 3 piece block, the ruler, the fabric, the pattern, the workshop fee, handouts and all you need to bring is your sewing supplies (cutting mat and rotary cutter) and machine, your iron (If you have one).

If you know anyone who doesn't have a computer please let them know for me, so they can let me know ASAP.

Thanks Ellen. 276-1014. ellenarmour63@yahoo.com

Community Quilts

This month has been very quiet. Only one request has been received but not processed as of yet. Kathy Boone

The season for 2018 - 2019 has been great for the cats. We have produced 165 beds to the end of April. Dun Roaming and the Debec shelters have received the beds. I hope we will be able to add to this number in the next two months and to continue with the donations in the next guild year. We are a very busy group considering the bags contain pieces too small to use anywhere else!! Have a wonderful summer and I look forward to collecting the bags again next year.

Editorial Notes

Victoria Corner Sewing Machines

For all you hand quilters, I brought in some hand quilting needles and some hand quilting thread...with more thread on the way next week...neutrals and colours.

Also, I have both Bosal In-R-Form and FF77 Flex-Foam for bag making.

The first batch of Triangle Square-up rulers sold as soon as they came, so I brought in more and I still have a few left....\$18.00.

Charlotte Cook

Please Note Victoria's Theberge phone number is wrong in the directory. Her correct phone number is 277-1090

My sister-in-law, Judy Dee, High Street in Hartland (375-6637) has a set of quilting frames that she would like to give away. If someone wants them they would just need to call her and go to her home in Hartland and pick them up.

Thank you so much
