Program Notes November 2012

Janet says it was a wonderful retreat! You can see all the retreat photos on her blog www.threadedmoose.blogspot.com

We're hopping right along with our Mystery Clues. Janet and I have been busy sewing on ours! I'm getting so excited making all the blocks from last month's clue! It's not too late to start if you want to join in☺

Don't forget to bring your Rail Fence blocks for our Community Quilts Committee☺ and give them to Shelley when you arrive. If you enjoyed doing this, please let me (Shelley) know. We could consider doing it again in the spring.

A few sites of interest for this month:

www.cd designs.com/AfternoonProj/index.html Here you'll find some cute little last minute quickie projects to stuff in someone's Christmas gift or to use on top of packages.

It, also, has some great information about all types of appliqué. For those who learned how to make yo-yo's at October's Super Saturday, there are some sweet yo-yo projects☺

www.shopmartingale.com/images/marketing/howtoquilt/quilt-borders.pdf This is one terrific article to print off on how to properly measure your quilt centre for making borders in the correct length and how to properly sew them on. I printed it off right away!

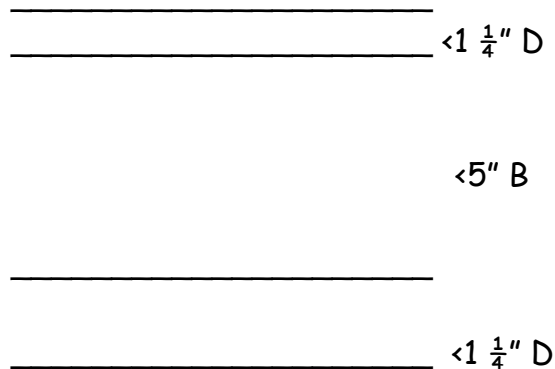

www.quiltville.com/borderhints.shtml this is also a favourite article on borders. She shows pictures on what happens at the Longarmer's when a quilt comes in with wonky borders....then she explains how to not have it happen to your quilt☺

www.quiltville.blogspot.ca/2005/06/boxy-stars.html a Great pattern for using your 2 $\frac{1}{2}$ " strips!!

Next Meeting: Monday, November 5, 2012

Respectfully submitted,

Barbara Long

Fons & Porter's Quilt Tips:

1. It takes forever to finish a quilt if you don't work on it!
2. Use a recipe card file to keep a running file of magazine articles or patterns that you may want to go back to in the future. Use file tabs to keep the cards in order by category.
3. If you have accidentally fused an applique in the wrong place, use a fabric softener dryer sheet as a pressing cloth to loosen the web so you can remove the applique to reposition it.

Please remember to have your Newsletter submissions to Estelle at least one week prior to the Meetings, at wilsur@nbnet.nb.ca
