President's Message: (June)

For us it has been a very long spring. No trips to Ontario to see my mom, our daughter, or our grandchildren. Life has been uneventful as we reside in isolation at our lakeside home. Much sewing has been done, a few quilts have been finished, and a few more started. But I dearly miss the companionship of my quilting and neighbourhood communities. When this is over I will never again take for granted the simple act of getting together. Until then, we stay home and stay safe. I hope all are doing the same, as much as is possible. Have a wonderful summer, and hopefully, we will see each other in the fall. Sandy

Super Saturday Report:

Hope everyone is quilting during this Covid 19 . I have finished some UFOs and working on the CQA Row by Row. This is free on line under the CQA Website. Of course there was no super Saturday for May but hopefully we will be able to meet in the fall. Things are being lifted covering groups so let's remain positive. Have a great summer and use up those scraps and finish some UFOs. What a great show and tell we will have. Please support the Super Saturday this year as we will all enjoy getting back together. Thanks Janet M

WQG Instructors Report

UPDATE: cancelled due to Covid 19 virus guidelines

Rescheduled for September or October 2020

I have asked Darcy Stewart Hunter to teach her birds on She has 4 birds available a chickadee, cardinal, blue jay, and a hummingbird. The cost is \$25.00, which includes the cost of the class, a pattern and a matting board. Other patterns are available for \$12.00 and the board is \$3.00.

If you are interested in her patterns and do not want to take the course please let me know so that she can bring them for you and prepay for them as well.

Unknown if this will happen, we are hoping that the virus guidelines

Sherida Giddings will be here September 30 a Wednesday to teach the Judy Niemeyer paper piecing workshop.

The Cost of the workshop will be \$25.00 . The Workshop will be at St Gertrudes from 9am to 3pm (come early to set up). I will only be able to take 16 people so it will be a first come with money basis.

If you need more information please contact me at 276-1014 or ellenarmour63@yahoo.com or on facebook.

I have someone to do appliqué some time in the fall.

Any suggestions for an instructor to come and teach us a technique? Would you like an appliqué workshop? A mystery guest with mystery project?

Thanks Ellen

Library Report

There is nothing new to report in the way of books this month. I do want to thank everyone for the encouragement and positive feedback that I received during my three year term. I really enjoyed running the library and I hope you all got a chance to enjoy some of the new material.

I hope we can meet in the fall, I miss the monthly get togethers.

Stay safe, be well and enjoy the summer!

Masks for URV Hospital:

Received a call from the volunteer coordinator at UVRH. They are in need of masks for everyone entering the hospital, and heard that quilters might make them.

It is important that folks contact her prior to drop off. Mostly because the masks will be collected and laundered before being available for people attending the hospital.

There is a very easy pattern on You Tube.

Have a great summer everyone. Stay safe.
