President's Message:

* * * * *

This is our last newsletter for a year that did not happen for our guild. No meetings. No quilt show. We did manage to have a retreat thanks to the hard work of Janet W and Diane S. Most of us have sewed more and quilted more. We have been so lucky here in NB compared to much of the rest of Canada. But the cost for many has been the isolation. Hope of a return to normalcy seems to be, maybe, on the horizon. If all goes well, we should be able to have a September meeting. Please spend a few moments between now and then asking yourself how you can take an active part in our guild. Have a safe and happy summer! Sandy

Cat Beds:

We have a coordinator, Jane Carlisle. We would prefer that the beds be complete, but she will accept yardage and scraps. Can be dropped off at her home (they have a garage) 9-5 Monday through Friday. 718 Greenfield Road in Florenceville. It is past the Legion. Her home phone is 506-392-5589 and her cell is 506-391-6619. Her email is janemike@xplornet.ca.

The Debec animal shelter is looking for about 10 beds a month. Size: approx. 14 x 20", not overstuffed please. Thanks for your help with this request.

May Sunshine Report:

No cards sent tis month. Linda

Fons and Porter's Quilt Tips:

- the plastic tray inserts from cookie packages make excellent spool caddies and keep threads from rolling around in your drawers as well.
- When making a child's quilt, make an extra block or two to applique onto pillowcases to match the quilt.
- Avoid using Fabric Softener in the washer or dryer when you pre-wash fabrics that you later intend to fuse. Fusible web will not adhere properly to fabrics treated with fabric softener.
